

Just a thought

Music by Creedence Clearwater Revival

Words by Claas Fischer

1.

It's just a thought
That you look me into the eyes,
That they would sympathize.
A refreshing laugh and a gentle word.
Still I don't know
What makes it grow,
The affection you have stirred.

2.

It's just a thought
To send a message to you,
You would respond to.
In separate letters, a discovery takes place.
Tell me what you feel,
What you think for real!
What is this secret in your face?

3.

It's just a thought
That we shall meet again,
No matter where or when,
Shake your holy hand and feel sublime.
Your presence is a bliss,
Fun and joy it is.
Always keep in mind that time!

4.

It's just a thought
To swim in a pool of hearts,
To travel through unexplored parts.
If rainy clouds cover your sun and gloom it,
Call me to blow them away!
I'll be there, listen and stay
To embellish your world and bloom it.

5.

C'est une pensée
De passer les vacances à deux
Où la vie devient un jeu.
Exposés aux ombres de nous-mêmes.
Eprouver l'atroce peur
De perdre la trace à ton coeur,
Tout ce que tu es, ce que j'aime.

6.

C'est une pensée
De te prendre dans mes bras,
Priant en vain que l'temps ne s'en va pas.
Accablés des sentiments trop forts.
La plume d'un hibou
Raconte l'histoire de nous.
Mais les rêves n'auront jamais morts.

7.

It's a magical dream
That wherever I might be,
I'll carry you deep inside of me.
I close my eyes and smile as I see you.
It's just a happy notion
That we can walk on the ocean.
You know that thoughts are due
To become true.

8.

And when one weary day
You follow your thoughts fly away
And you wonder where they are going to,
Be sure that there's someone else like you!
And far above the big blue sea,
Thoughts will find their company...
