

Pass away

Music & Words by Claas Fischer

Chorus:

Pass away, pass away,
Pass away, pass away,
Pass away and go your way.

1.

Go in peace
And go with our love;
Go with joy
And with guidance from above.

Go without pain,
Go into the sun;
Go without fear,
We'll always be one.

Chorus

2.

Shine as a star
In our dark black sky;
Find us in our dreams
And show us how to fly

High, high.
